CSLSA Recurrent Representative Report APRIL 6, 2006

Good Morning,

I have attached the employment page to my report for your review and discussion (see <http://www.cslsa.org/employment/testdates.asp>). It is great to see that we received updated information from all but four agencies.

Question:

First how would you like to see the payrate shown on the employment page? Would you like to see it shown as a pay range or the starting pay only?

On a different note, I was voted as the National Recurrent Chair at the Fall USLA Meeting in Dana Point, California. I would like to thank those that were supportive and stood up when a few tried to bring the vote to the floor of the entire USLA Body. It was really great to have support of Vince Lombardi, Mike Scott, and Ross Pounds during the Recurrent Meeting.

I am looking to you for input on how best to set-up a National Employment page that will be available on the www.usla.org website.

Thank You,

Chris Graham
