## Board of Director's Meeting Long Beach, CA April 10<sup>th</sup> & 11<sup>th</sup>, 2008

### **First Executive Delegate Report:**

Prepared by Jon Mitchell

Welcome members to the meeting and thanks to LBLA for hosting!

It has been a very busy few months for me since our last BOD's meeting in Newport Beach. Junior Lifeguard Swim Tests, JG Registration, purchasing uniforms for our Seasonal Lifeguards, uniforms for Junior Lifeguards, lifeguard tryouts, recertification classes, and getting married in Cabo has taken its toll.

However, with all that going on, I want to reassure everyone here today that my responsibilities to this Board as the First Executive Delegate have not gone unattended. I have been receiving updates for our region's Lifeguard Tryouts and starting salaries for Tower Lifeguards. Bob has been helping me review and forward the 2008 information to the CSLSA Website as I receive it.

There are a few agencies that are difficult to extract information from, but Charlotte and Chris have both been extremely helpful in assisting me get to the right people. Also, keep in mind that whenever there is a new name attached to the position people do not always recognize it and push the response to the bottom of their list. I hope to change that mind set in the near future.

I would like to conclude my report by stressing to all members present the importance of accurate and current information on our CSLSA website. Our website under the "Employment Link" lists test dates and starting pay rate information for all chapters in our region. I can't tell you how many people I direct to the [www.cslsa.org](http://www.cslsa.org) site about job opportunities. Get me your information, via email at [1stdelegate@cslsa.org](mailto:1stdelegate@cslsa.org). The CSLSA website is a great tool that your agency can use for future recruitment.

Thanks,

Jon Mitchell
